

How to Access The Global Hub

Complete Microsoft Forms

Access Microsoft Forms using one of following ways:

Go to the AI for Safer Children Website:
<https://unicri.it/index.php/topic/AI-for-Safer-Children-Global-Hub>

Use direct link to Microsoft Forms:
<https://forms.office.com/r/NjAUz0ZmZX>

Did you register with an official government e-mail address having a law enforcement domain?
 Examples: name@agency.police.country or name@lawenforcementagency.org

Yes

No

Send the below documents to unicri.aiforsaferechildren@un.org

Copy of your official photo identification card showing your name and agency

And

A letter from your supervisor on agency letterhead stating the following:
 1) You are employed by the law enforcement agency.
 2) You are approved to access The Global Hub using your selected email address.
 3) Contact information for your supervisor.

NOTE: If there are multiple members at your agency wishing for access to The Global Hub, you may submit one letter for all agency members. The letter must include their names and their individual email addresses.

Wait for approval. Contact unicri.aiforsaferechildren@un.org if you have not received an e-mail notification after five business days.

An e-mail from Microsoft SharePoint will be sent to your approved e-mail address and will contain an invitation to access The Global Hub. Click on the invitation link, which will direct you to sign in.

Is your approved e-mail address connected to Microsoft Office 365?

Yes

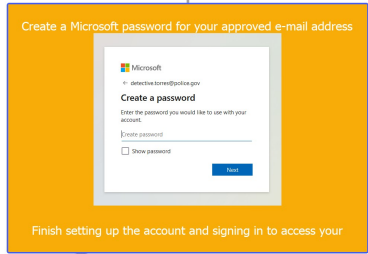

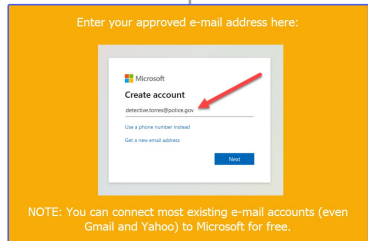

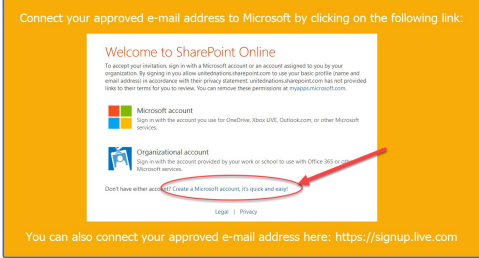

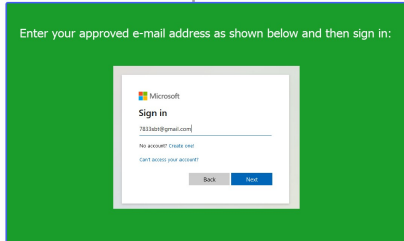

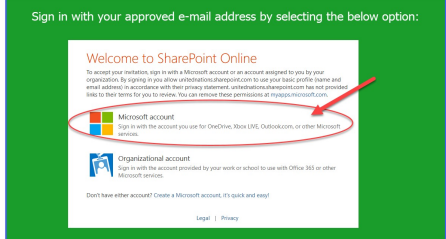

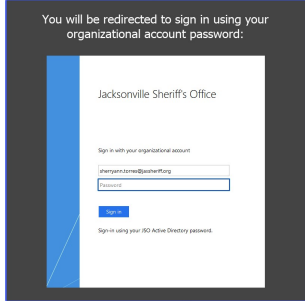

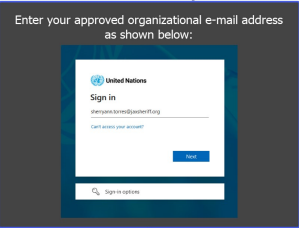

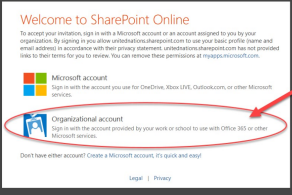

No

Is your approved e-mail address connected to other Microsoft services?

Yes

No

Sign in with your approved organizational account by selecting the below option:

Welcome to the AI for Safer Children's Global Hub!
